HOTEL LUXURY

With long standing experience and commitment to highest quality, we are a leading supplier in the hospitality industry. We manufacture and supply an expansive range of bed & bath linen, fibre fill products and accessories.

We are partnered with world class hospitality brands of five star luxury hotels, resorts, serviced residences and reputed hospitals. We also offer custom designed products.

Through our iconic brand representation of Santas Home, we are recognized today as a hotel luxury standard for the upscale hospitality sector.

BED LINEN

A Discerning Luxurious Range

The Global Hospitality bed linen offers an out-of-the-world sleep experience. Outfit your hotel bedroom with a complete bed ensemble. The linen range includes an array of choices of classic woven, dobby stripe and textured jacquard fabrics, added with embellishments and sophisticated elements. Our products are produced with long staple compact yarn, proven to be highly durable.
